

IT'S A SCAM

FRAUDSTERS WANT YOUR PIN AND BANK CARD

A fraudster telephones you pretending to be from the police or your bank. They tell you that there has been suspicious activity on your account.

They might reassure you by suggesting you hang up and phone them back to ensure the call is genuine. Don't be fooled! They stay on the line before convincing you to pass them your account details, PIN or even to transfer money.

They may send a courier to collect your bank card. With that and your PIN, they spend your money!

Remember

Neither the police nor your bank will ever ask for your PIN or bank card. Do not give them to anyone
